

How to fill out a TAMU short-term loan application

1. Go to the financial aid website at <http://financialaid.tamu.edu>
2. Click “Apply for Short-Term Loans”. This link is located towards the bottom of the right column.
3. You will then be redirected to another financial aid page where you will be required to put in your NetID and Password
4. Select Short Term Loan with the term Fall 2009 (You may decide to wait to take out your loan in the spring (January), then your term would be Spring 2010).
5. Complete each page of the loan application (address information, parent information, reference information)
6. Under the Short Term Loan Request drop down menu (what the loan is for), select “Aggie Access Enrichment Travel” (it is at the very bottom of the list)
7. You should be able to apply for up to \$1500. It may tell you that you cannot get that much. However, you should feel out the notes or appeal section noting that you are participating in the Aggie Access Spring Break Abroad Trip.
