Join us for an energizing presentation by Odetta Taylor, "Delegate for Growth!". Learn about the variety of services offered by virtual assistants, the benefits of utilizing this service and the value it brings to your small business. Odetta will also provide tips on what to look for in a virtual assistant and a needs assessment handout to determine where you need to delegate, in order to grow!

A small business owner since the early 90s, Odetta understands first-hand the challenges presented in leading a corporation. Through her company, Alternate Office Solutions, Odetta offers an efficient alternative to adjust to those challenges - virtual assistance.
